CalCIMA Honors Industry Members

Sacramento. The California Construction & Industrial Materials Association (CalCIMA) announces awards for members who made outstanding contributions during 2013.

“The volunteer efforts of the companies and individuals that make up an association are critical to its success,” said Gary W. Hambly, President & CEO of CalCIMA. “We have been fortunate this past year to have several members make exceptional contributions to benefit the activities of CalCIMA,” said Hambly.

“It is very gratifying to have so many outstanding professionals supporting CalCIMA,” said Tom Powell, with CEMEX and Chairman of CalCIMA. “The actions of each of this year’s recipients have made a marked improvement for the association and the industry,” said Powell.

President’s Award - Jim Good, retired and previously with the law firm *Gresham Savage Nolan & Tilden*. Jim served CalCIMA as counsel since its inception in 2007. He has been a long time legal advisor to mining companies in California.

Benjamin J. Licari Distinguished Member Award - Michael Toland, President of *Spragues’ Ready Mix*. Mike has been a leader in promoting the association and membership with his colleagues.

Spirit of the Industry Award - Toby Goyette, Environmental Manager with *Syar Industries, Inc.* and John Lane, EH&S Project Manager with *Teichert Materials*. Toby was recognized for his leadership of an industry work group to respond to a draft industrial storm water order from the State Water Board. John was recognized for his leadership in developing a new air permit for industry to use portable equipment.

Associate of the Year Award – Katharine Wagner, Partner with *Downey Brand LLP*. Katharine was recognized for her legal input of industrial storm water proposals and coordination with other interest groups.

Special Recognition Award - John Kolski, Community & Government Relations Manager for *Stevens Creek Quarry, Inc.* John was recognized for outstanding efforts to support legislative initiatives.

The awards were presented at the 2013 CalCIMA Education Conference, Nov. 10-13, in Napa, CA.

CalCIMA is a trade association for aggregate, ready mixed concrete, and industrial mineral producers in California. The members of CalCIMA provide the local materials to build roads, bridges, hospitals and schools, and support agricultural and manufacturing industries in California. In all, CalCIMA's membership includes over 500 production facilities.
