TRANSPORTATION COMMITTEE:
‘SHOP & DRIVER SAFETY’ ROUNDTABLE

Join us to learn practical tips and techniques to prevent accidents with fleets and equipment, whether in the shop, the yard, or on the road. This workshop is aimed at Fleet Managers and Equipment Operators.

Date: Thursday, January 30, 2020
Time: 9AM—3PM
Location: Cemex—4120 E Jurupa Street, Suite 202, Ontario, CA 91761
Cost: $40 (includes lunch)

Roundtable Topics:

- **Introduction to Safety Culture**—Terry Tyson, Insight Services & Presentations
  The terms, “Company Culture” and “Safety Culture” are tossed around often in business discussions—but what does “Safety Culture” really mean? In this talk, it will be identified, measured, and ways to improve it within an organization will be explained.

- **5-S (Sort, Set in order, Shine, Standardize, Sustain)**—Gary Clay, Cemex
  Results of a recent 5-S project will be discussed with emphasis on the techniques that made it a safer, cleaner, and more productive shop.

- **Avoiding Distractions in the Workplace**—Kevin Homuth, Con-Tech
  Types and impacts of distractions will be discussed with focus on prevention strategies that can be used while working with or around hand tools, power tools, and working in elevated positions.

- **Safe Driver Program**—Derek Burger, Lehigh Hanson
  This talk will discuss recruiting, training, and keeping drivers safe in environments and on job sites that are often turbulent, how to eliminate some common risks associated with ready-mixed concrete deliveries, and how analytics and technology can be used to more safely manage fleets and drivers.

- **Technician Safety Training**—Allen Halbert, Holliday Rock
  This talk will discuss provision of adequate safety training as it relates to type, process, tracking, and employee empowerment.

- **Pre- and Post-trip Inspections**—Ted Sutliff, Holliday Rock
  Related driver responsibilities will be discussed with focus on walk-around techniques, knowledge of mechanical items, Commercial Vehicle Safety Alliance (CVSA) and Safety Measurement Scores (SMS), and proper Vehicle Condition Reporting (VCR).
