

CALCIMA

California Construction And Industrial Materials Association

ABI HAGUE

Events and Membership Services Coordinator

Abi Hague has experience in working in event management, member services, accounting and communications for more than 9 different associations within the past 5 years.

Abi started her career in associations at the California Special Districts Association (CSDA) where she started as a membership intern and then went on to be a member services representative.

After her time at CSDA, Abi went to work for an association management company where she worked with 8 different non-profit association which mostly consisted of water agencies/companies and local government agencies.

Abi is a member of the California Society of Association Executives (CalSAE).
